## GIVING FOR LIVING

The Annual Garage & Estate Sale provides an opportunity for The Settlement Home for Children to not only help the children we serve, but also the Central Texas nonprofit community. Through our Giving for Living program on Sunday, The Settlement Home has provided certificates to more than 100 Central Texas nonprofits and various public schools. These organizations distribute the \$25 certificates to their clients who are in need of essential items, such as linens, baby clothes, toys, kitchen items and more. The clients can use the certificates to shop for items at The Sale on

Sunday, when merchandise is typically marked down, increasing each certificate's value to \$50. In 2017, 1,530 certificates were redeemed, providing \$76,000 worth of merchandise to people in need! Donors are needed to support this program. If you are interested in supporting the Giving for Living program, email:
