

# Volunteer With Us!

At The Settlement Home for Children (The Home), our mission is to promote healing and growth in children, young adults and families by providing a continuum of care, support and resources.

Our volunteers play an integral part in enriching the lives of individuals and families in our care. By sharing your skills and talents, you can make a lasting impact on our community.

Volunteer opportunities at The Home are varied to match your availability and interests. Have a creative project you'd like to share? Learn more or reach out to us at **[settlementhome.org/volunteer](https://settlementhome.org/volunteer)**.
